

The stand for successful meetings and
and training sessions in videoconferencing.

Capacity :

Compatible with all camera brands on
the market.

Manual height adjustment +

The YooCam allows you to quickly and effortlessly adjust the camera height between 1m and 1m40, to fit the different needs of users.

Optimized mobility +

Its base ensures excellent stability. The YooCam is designed to move easily in your meeting spaces.

Offset system +

USB and HDMI ports have been placed inside the stand, making it easy to connect.

Integrated cable cover +

For pleasant video conferencing without visible cables, the YooCam has an integrated cable cover.
